## WOOD'S FAMOUS LAWN GRASS SEED

Composed of Only the Very Finest Turf Making Grasses

### Wood's Evergreen Lawn Grass

This is positively the very finest mixture of Lawn Grasses in existence. Contains only the best and finest of turf-forming grasses, none that are coarse or grow in tufts. Included in this mixture is a generous percentage of Creeping Bent, recognized as probably the best of the turf formers that we now know of.

As no one grass can make a fine lawn the year round, we have put into Wood's Evergreen different varieties that are at their best during different months, so that this mixture presents a succession of verdure through the various seasons of the year.

Wood's Evergreen Lawn Grass is especially suited for places where good care and attention can be given to the lawn.

Prices f.o.b. Richmond: lb. 45c.; 5 lbs. \$2.00; 10 lbs. \$4.00; 25 lbs. \$9.50.  
 Postpaid prices: lb. 55c.; 5 lbs. \$2.25; 10 lbs. \$4.35; 25 lbs. \$10.15.

Sow Lawn Grass at the rate of 1 pound to 250 square feet, or 90 to 100 pounds per acre.

### Wood's Dixie Lawn Grass

This mixture is the result of a close and intimate study of grasses suited to lawn making and such as are adapted to the Southern soils and climate. Contains grasses that will stand the heat and drought of the Southern summers.

Prices f.o.b. Richmond: lb. 40c.; 5 lbs. \$1.80; 10 lbs. \$3.60; 25 lbs. \$8.50.  
 Postpaid prices: lb. 50c.; 5 lbs. \$2.05; 10 lbs. \$3.95; 25 lbs. \$9.15.

### Wood's Winter Lawn Grass

A mixture especially adapted for quick results, making a good green appearance during the winter and spring months. Will make a green effect under ordinary circumstances in about two weeks. This mixture is also suitable for sowing on Bermuda Grass sod.

Prices f.o.b. Richmond: lb. 30c.; 5 lbs. \$1.15; 10 lbs. \$2.30; 25 lbs. \$5.25; 50 to 100 lb. lots and over, 20c. lb.  
 Postpaid prices: lb. 40c.; 5 lbs. \$1.40; 10 lbs. \$2.65; 25 lbs. \$5.90.

# MORE EGGS--MORE MONEY

## With WOOD'S POULTRY FOODS

WHAT A USER IN TAZEWELL COUNTY, VA., SAYS:

"I have been using your feed for about a year, and I must say I surely have had good results. I get three times the eggs from the same number of layers since I have been getting feed from you. I can specially recommend **Hollybrook Egg Forcing Food**, also **Hollybrook Laying Food** as the best I ever used for drymash. **Pamunkey** and **Hollybrook Scratch Foods** are both good. I can highly recommend all your poultry feeds I have used, as my flock is doing so much better in every way—more eggs and more healthy."

# WOOD'S CROP SPECIAL

## BULBS FOR FALL PLANTING GIANT DARWIN TULIPS

These gorgeous new late or May flowering Tulips are very stately and beautiful, producing immense flowers on tall, sturdy stems attaining a height of from two to three feet, and bearing on long stems beautiful globular flowers of remarkably heavy texture in a large range of colors. They embrace almost every conceivable tint in rose, heliotrope, claret, maroon, crimson and other rich and rare shades. Unsurpassed for bedding and cutting.

We strongly advise our customers to take advantage of the very low prices of Darwin Tulips this season, as the indications are they will be considerably higher another year.

## GIANT WHITE NARCISSUS

THE MOST SATISFACTORY WINTER BLOOMING HOUSE PLANT

They will bloom in water from six to eight weeks from time of planting, if not planted too early, and are superior to Chinese Lilies or any other narcissus for growing in water. The flowers are larger, more attractive in color and very fragrant. A very unique and simple way to grow them is to place six or eight bulbs in a shallow bowl with water; support the bulbs with pebbles, and place the bowl in the dark until the roots have started, when they should be brought into the light. Change the water occasionally to keep it pure. From our experiments November, December and January plantings give best results.

Each, 15c.; dozen, \$1.35; 100, \$10.00, postpaid. Not prepaid, \$1.25 per dozen; \$9.50 per 100.

Wood's Superior Single Hyacinths

Giant White Narcissus Growing in Water

**Wood's Superior Hyacinths**  
IN SEPARATE COLORS  
**WOOD'S SUPERIOR HYACINTHS** in separate colors can be sold at considerably less price than where it is necessary to keep and name each individual bulb separately. These bulbs are all good sized flowering bulbs much larger than the ordinary mixed Hyacinths, and give excellent satisfaction for general forcing, for cut flowers, or outdoor garden blooming in beds or borders.

Pure White	Red	Light Blue	Yellow
White Shaded	Pink	Dark Blue	All Colors Mixed

All of the above by mail postpaid, 15c. each; \$1.50 per dozen. Not prepaid, \$1.40 per dozen; \$10.00 per 100.

Send for our Illustrated Bulb Catalog giving descriptions and prices of other seasonable bulbs.
